To Diane

this year in school I really don't think

I would have passed math if it wasn't for you. you helped me + I thank you.

But your helping me isn't over yet. I am going to need help for the final's + guess who's going to help me? You!

have a nice summer + see you in 10A math

if I make it there. which I hope I don't. no offense but I would rather be

in my class with the people I'm used to. I sort of feel out of place here.

Love Vicki (alias "the complainer")

Dear Diane,

It's been a good year. I'm glad I got to know you better and that we became better friends. Rocky Horror and Frisbee forever! Have a Great Summer. Don't drink too much Champagne!

Love,
Liz

Though we leave you now Adelphi,

You will have our love always

And the friendships we have made here

Will remain for all our days.

Life may bring us joy or sorrow

But if we have friends who care,

We will face each new tomorrow

With a love that we may share

Dear Diane,
It was so nice being with ya in tennis this year - even though it was only at the practices... Ha! Have a fantastic Summer be good.
Love,
Anne

Dear Diane,

It's been a really good year for me, and I hope for you too. We've had some really good times. Oh, remember the basketball games, when you fell down? That was hysterical. The thing I loved best when you started the cheer 5 minutes after everyone else.

Although everybody else argues, it seems that we never do for some odd reason. It's like we stopped in time. I'm glad our friendship has become stronger over the year, and hopefully it will become even more stronger in the years to come. Have a good summer, see you soon,

Love,
Margaret

Dear Diane

It's been great knowing you

Have a nice summer

Hope to see you next year.

HEADMASTER'S MESSAGE TO YEAR-BOOK

Aristotle once said a friend is "One soul abiding in two bodies."

Such a friend is like your conscience: free to tell you the truth, well acquainted with your strengths and weaknesses. Sometimes friendship grates; sometimes it consoles, strengthens, and inspires. Adelphi is where true friendships form and where you learn who you are. The strength of that knowledge will sustain you the rest of your life.

DEDICATION

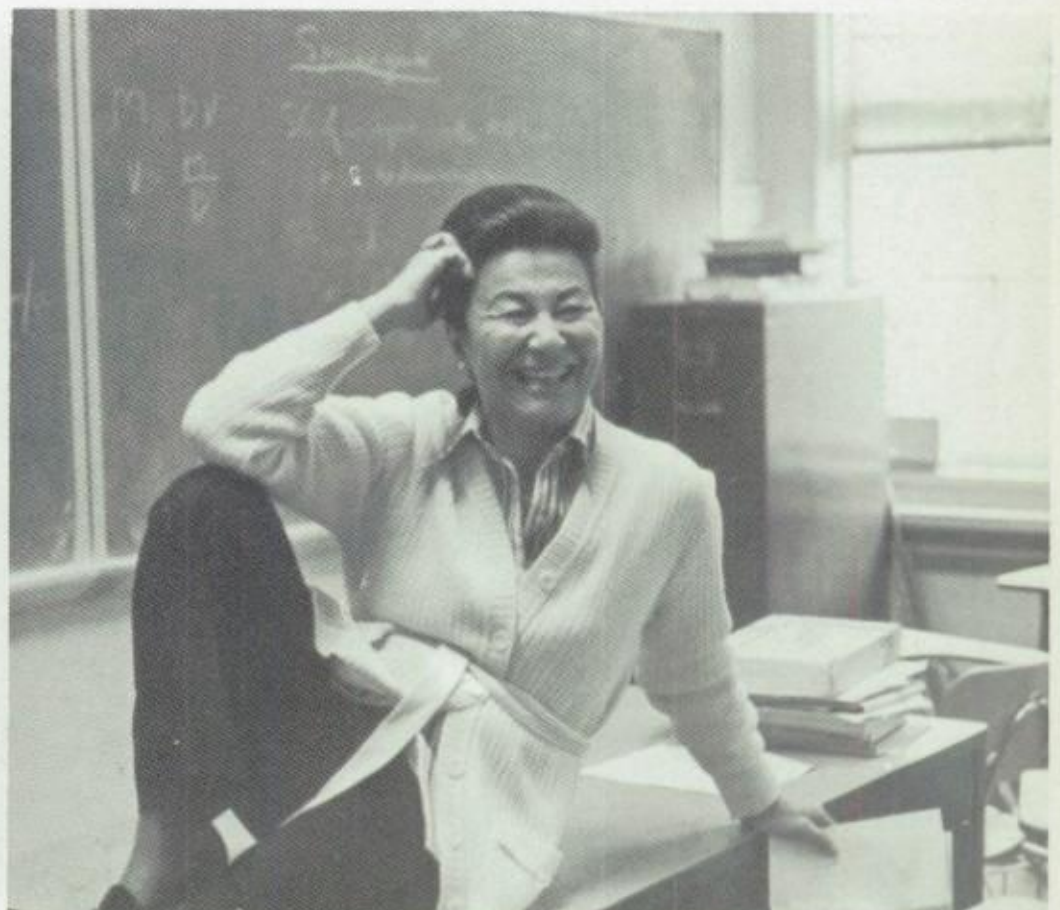

It is customary for each graduating class to dedicate its yearbook to someone whose influence has enriched the lives of all the students. Our choice for this honor is a woman who is such a person. She is not only the ideal teacher, she is a true friend.

A teacher must not only impart knowledge; she must present challenges which inspire her students with the desire to search for greater knowledge. This is not always an easy task, but it is vital in a subject such as Science.

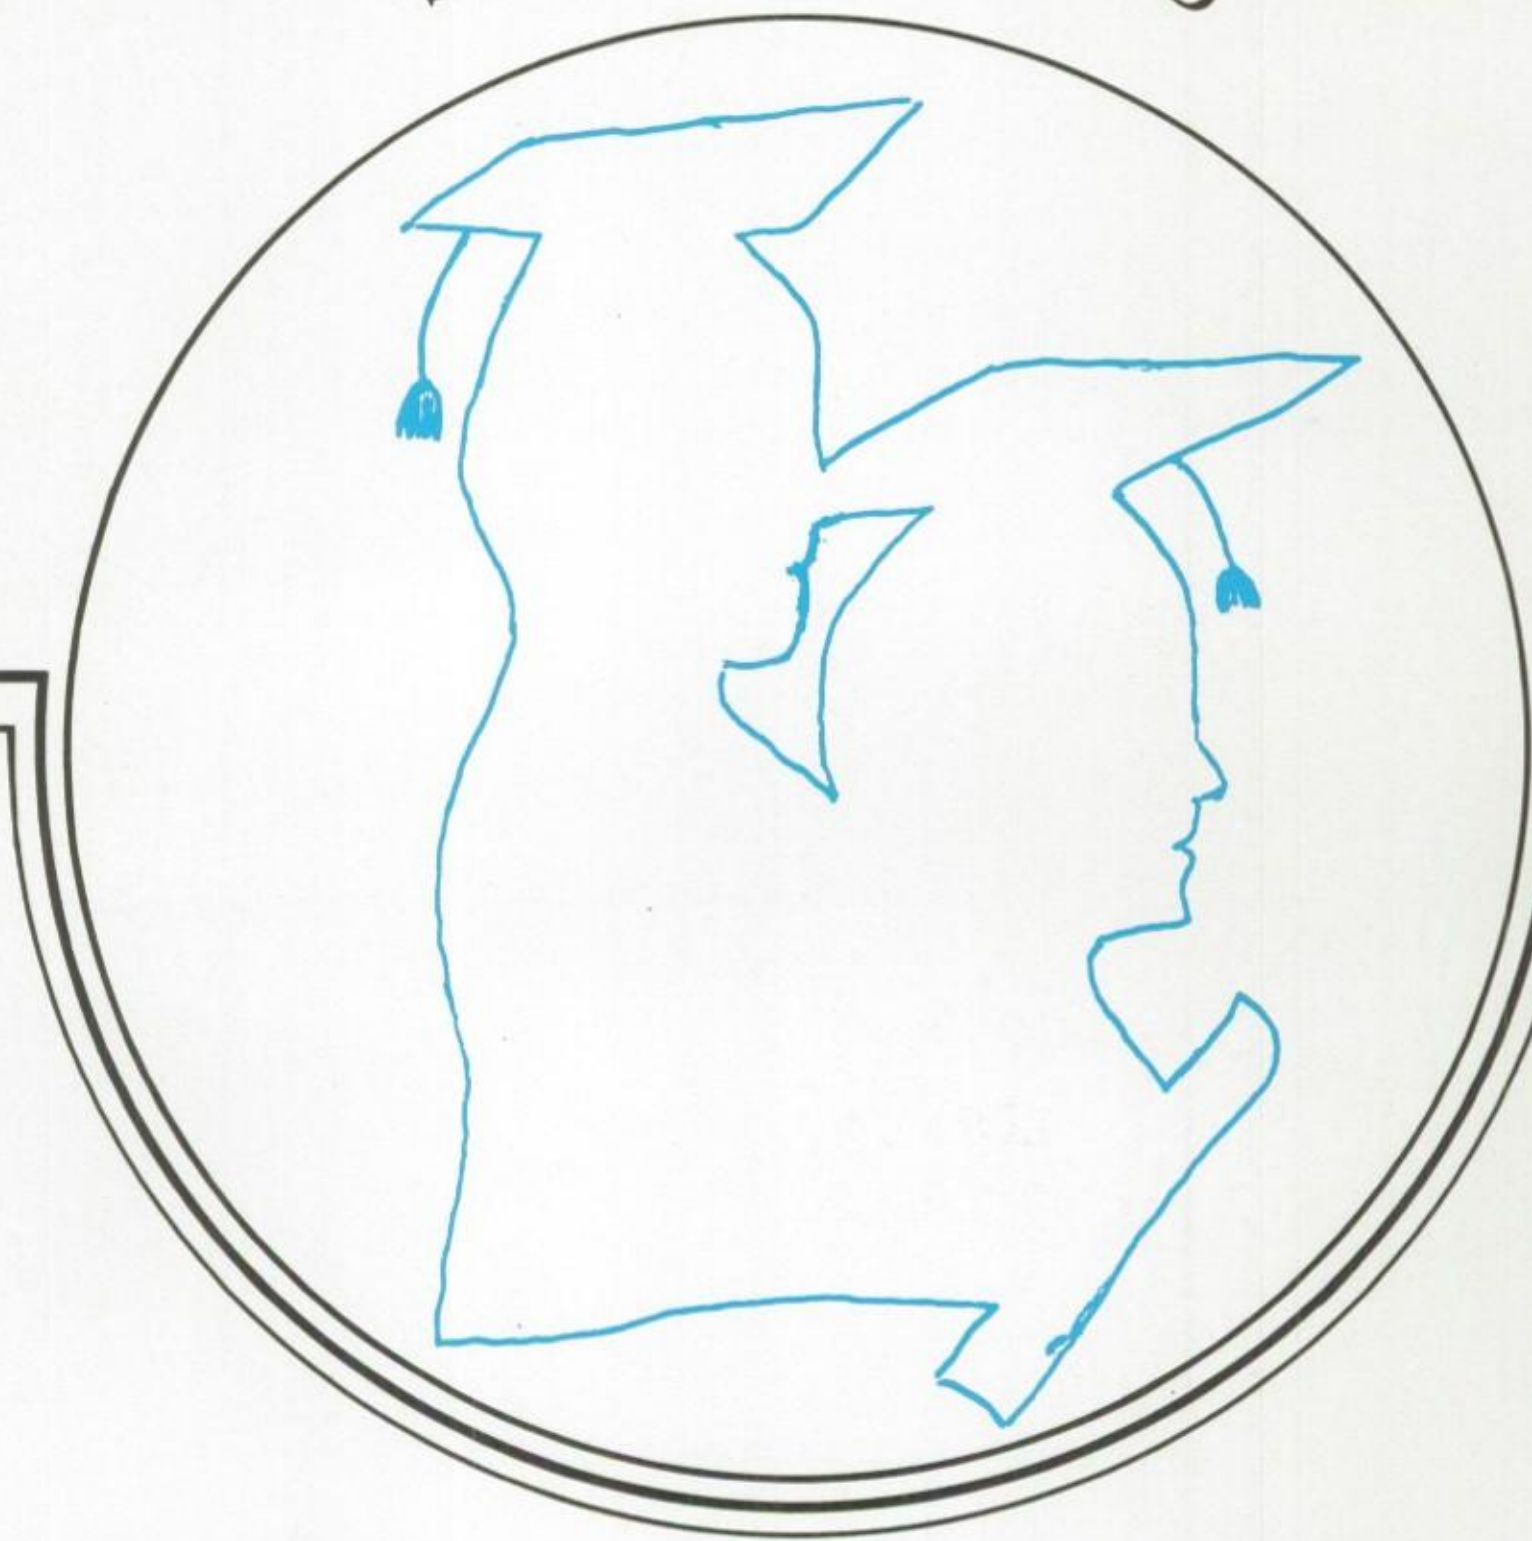

Perhaps we can describe her qualities as a friend by using the words of Ralph Waldo Emerson: "A true friend is somebody who can make us do what we can." The woman we speak of has always made us realize that only our best efforts are acceptable, and it is when we work to our full potential, that we fulfill our life's purpose.

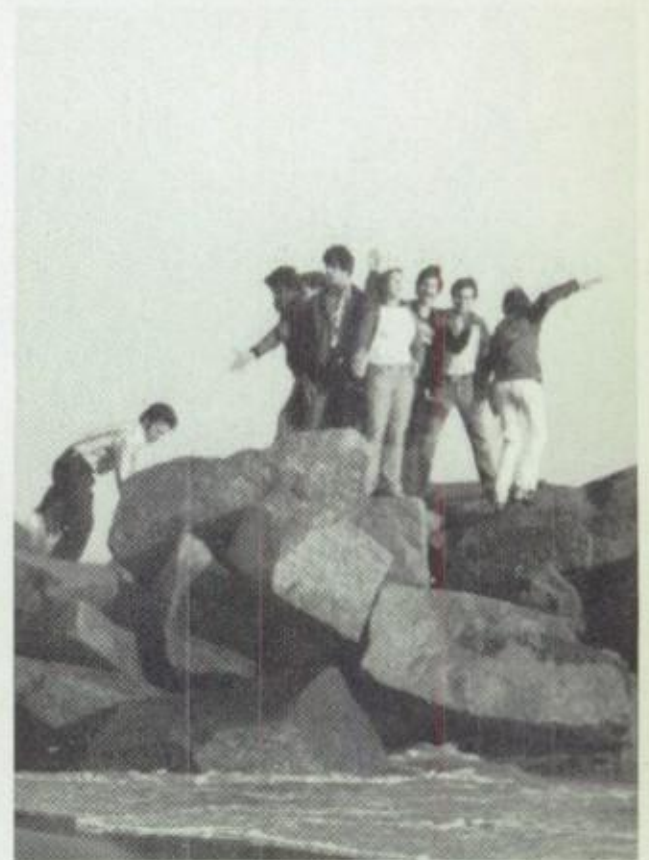

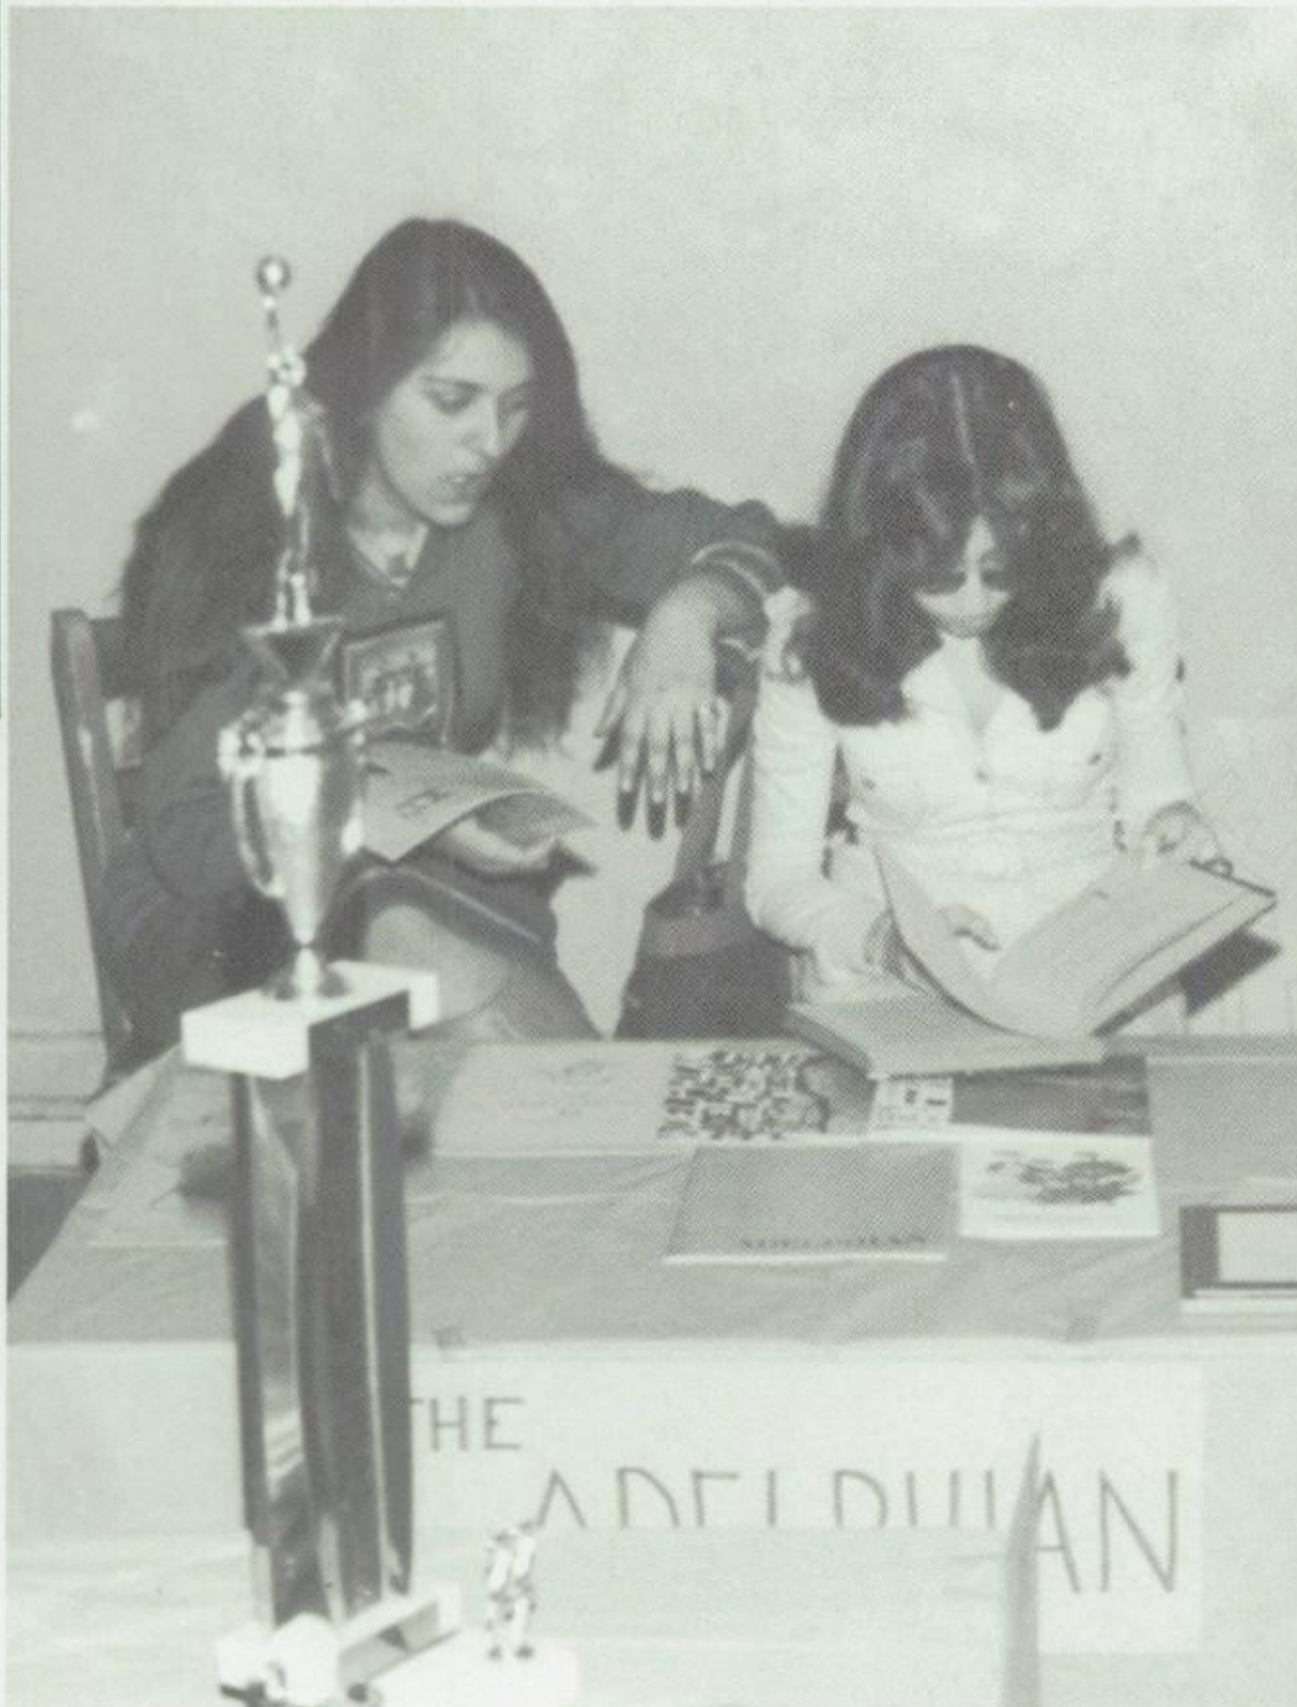

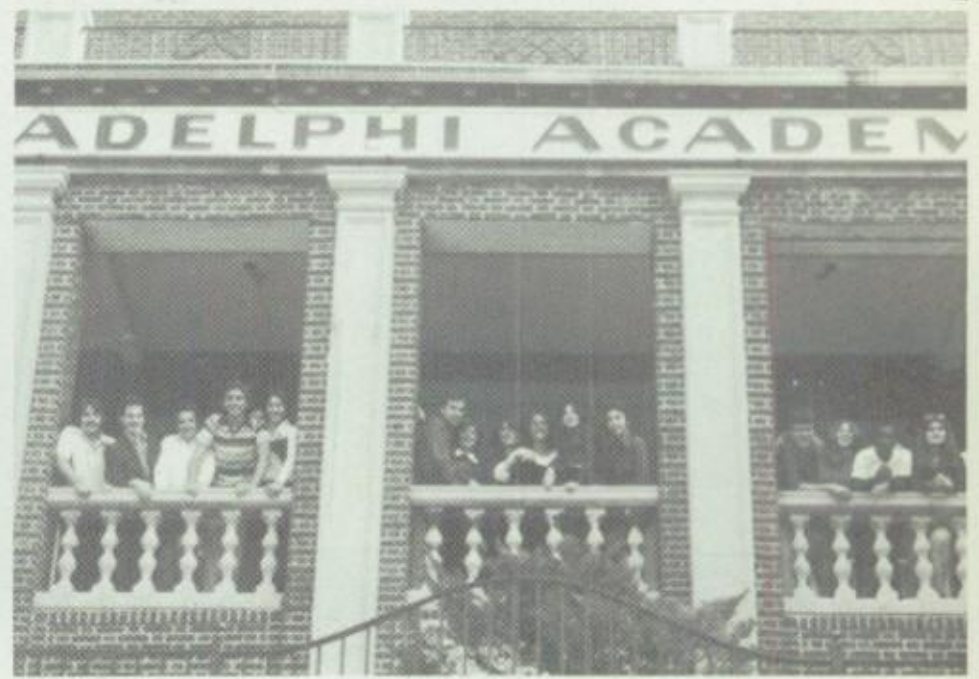

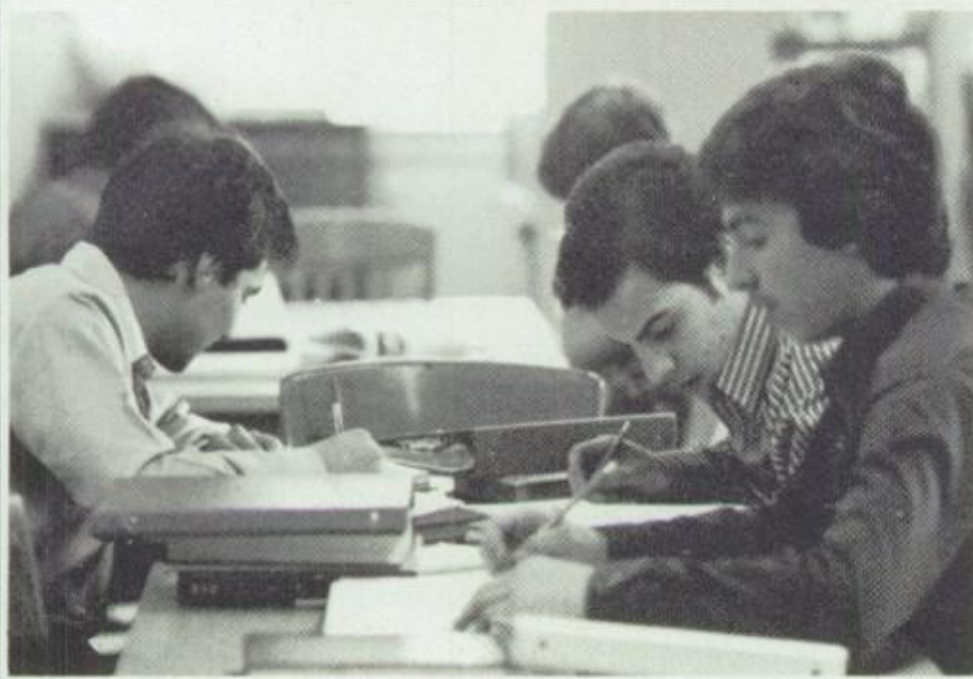

Because she has been an inspiration to her students, because we have felt free to speak to her not only in the classroom, but after school hours, because she has been a warm and understanding friend, we dedicate the 1979 *Adelphic* to Mrs. Rose Kuchinsky.

We would like to close our dedication with a quotation from Johann Van Goethe: "The world is so empty if one thinks only of mountains, rivers, and cities; but to know someone who thinks and feels with us, and who, though distant, is close to us in spirit, this makes the earth for us, an inhabited garden."

Well it's only been 2 months so far . . . could be worse. I met Mel on ave U . . . he assured me I made the right move. Doc K failing everyone. All I can say is Poly (UGH!) so long. Should have come here in 9th but . . . always remember Coney Island and broken beaker in lab with Denise. Beat Bobby P except 11/16, but couldn't beat Sam 10, Why! Hey Joe! 3 of us out of 17! Reminds me of Bishop Ford. Billy and Cordial Cafe. Where's your Blurb? Don't worry Carol. Tomorrow, Grace why are you always in such a good mood and why are you always in the library? Alright Steve! At least someone knows where I live. Mr. B. for Bio another Mr. B. for English not bad. The fabulous five from Calculus: Bob, Frank, Marc, Carol and of course me, but what am I doing here. Wish I could get to know classmates better but no one will ever be left out in my mind. Where's Bishop Ford Bill? Hey Bill still remember the Cordial Cafe? Band with Mo. Feldy you watch. Drivers Ed on Saturday. Thank God it's over. What a ski "trip". Salino gets sick — too many martinis. Munched out on bus on the way home. Hey George P. definitely like those parties. See ya round Andy, Mel, Joe B., Mark, Tony, and Graduating class from Poly. Godfather and Semihard never made it. Miguel and I stuck with it but all for nothing. Al quit. Just got word Rob wants to jam after Christmas. East 5th street block party. Led Zep, Heart. P.S. Nancy Wilson I love you. Farout! Darlene, Carvel, bagels and Claudia are inseperable. Trips to Manhattan with Sev, Miguel, Darlene and Claudia. Oh My God! no more on the corner for me. I'm going out, sooner or later. "Mom and Dad you're the Greatest". Adelphi wish I could know you better. It's been short and sweet but it was great. So long.

Dear Diane,
I have enjoyed having you as a friend
these past couple of years. Keep
participating in the Athletic Program.
I'll be back to visit you next year.
I have a great summer + good luck!

A builder builded a temple;
 He wrought with care and skill;-
 Pillars and groins and arches
 Were fashioned to meet his will;
 And men said when they saw its beauty;
 "It shall never know decay.
 Great is thy skill, O Builder,
 Thy fame shall endure for aye."

A teacher builded a temple;
 She wrought with skill and care;-
 Forming each pillar with patience,
 Laying each stone with prayer.
 None saw the unceasing effort;
 None knew of the marvelous plan;
 For the temple the teacher builded
 Was unseen by the eyes of man.

Gone is the builder's temple;-
 Crumbled into the dust,-
 Pillars and groins and arches
 Food for consuming rust;
 But the temple the teacher builded
 Shall endure while the ages roll;-
 For that beautiful, unseen temple
 Was a child's immortal soul.

Dione,
 your love (Ha!) of biology, and your hard work in class will pay off
 handsomely some day, but until that time, when you think to yourself
 "Thanks, Mr. Borman", continue your good work and you will be able
 to obtain any goal you set for yourself. (You could quiet down in class however.)
 Mr. Borman

Soccer

This year's Soccer team was another good one for Adelphi Academy. The team ended with a record of 3-3-1. Under the excellent coaching of Bill Eastadt, the players showed eagerness, determination and the will to win. The team captains were offensive leader Fabian Taliercio and goal tender Dino Liapes, both of whom had another great season. However, the whole team should be commended for their performance on the field. Their spirit and drive kept every game close, in fact their three losses were never by more than two goals. But, it is unfortunate that there were not enough students to watch the team in action. For too many years, Soccer has been a neglected sport at Adelphi and the players are hoping that next year things will get better. Leaving the team will be Seniors Dino Liapes, Randy Helfman, Marc DiBartolomeo, Frank Cassata, and Bobby Pachlofer, all of whom played with great spirit.

VOLLEYBALL

Girls Volleyball

This year's girls varsity volleyball team under the coaching and supervision of Miss Fox had another winning season. Their record of five wins and four losses was a result of the determination and enthusiasm among the girls.

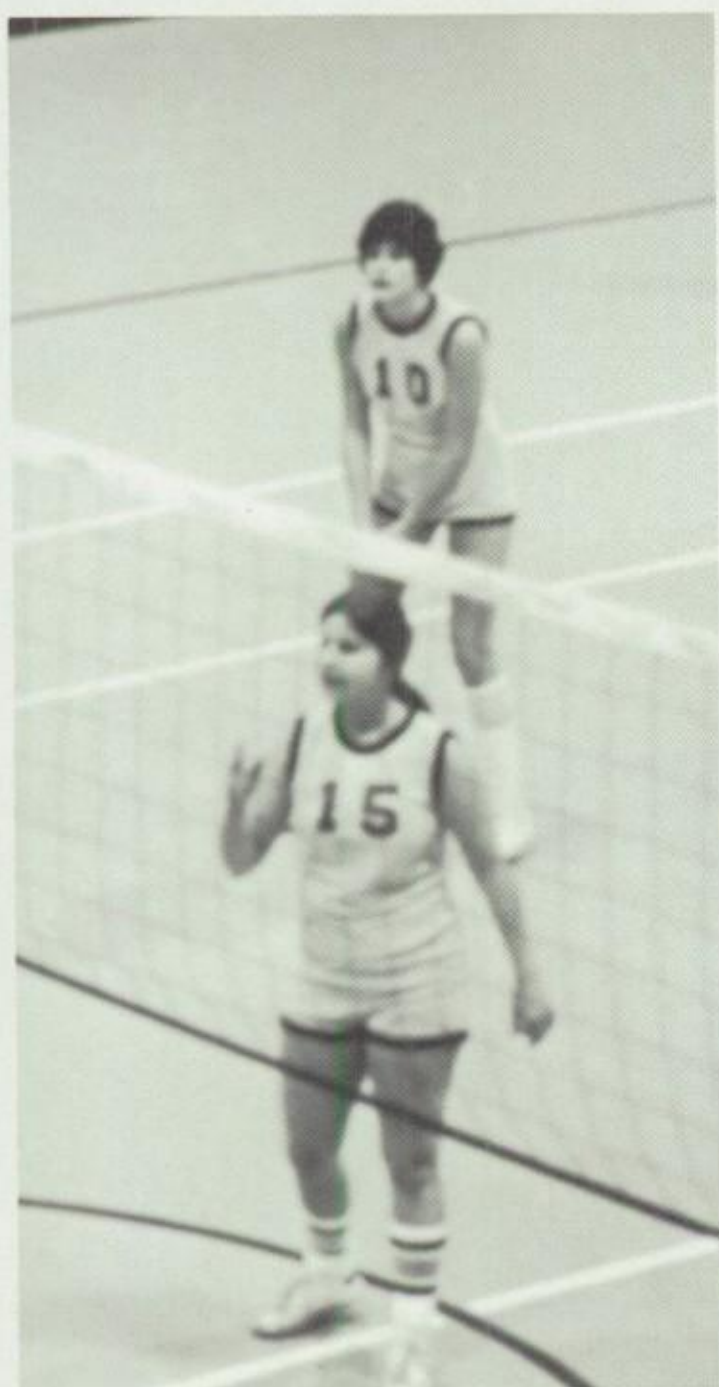

Girls volleyball has always been one of the most popular sports at Adelphi, and this year, the large turnout to both home and away games, proved to be a great encouragement.

This year the volleyball team's wish has been fulfilled by being the first team to play in the new gym. It was a thrilling experience, and will always be remembered.

1st row: Pam Kay, Lisa Croce, Liz Lama. 2nd row: Kathy Oliver, Ann Croce, Diane Blum, Lisa Anderson, Ms. Dorothy Fox. Not Pictured: Margaret Ponte, Barbara Wagner, Karen Mizhir, Ellen Samsen.

VARSITY BASKETBALL

1st row: John Swift, Derek Hayes, Vinny Montanaro, Daren Cox, Joey Sclafani. 2nd row: Mario Cosenza, George Kastner, Kevin Walker, Steven Srebnick, Alberto Joiner, Les Finkelstein-Coach.

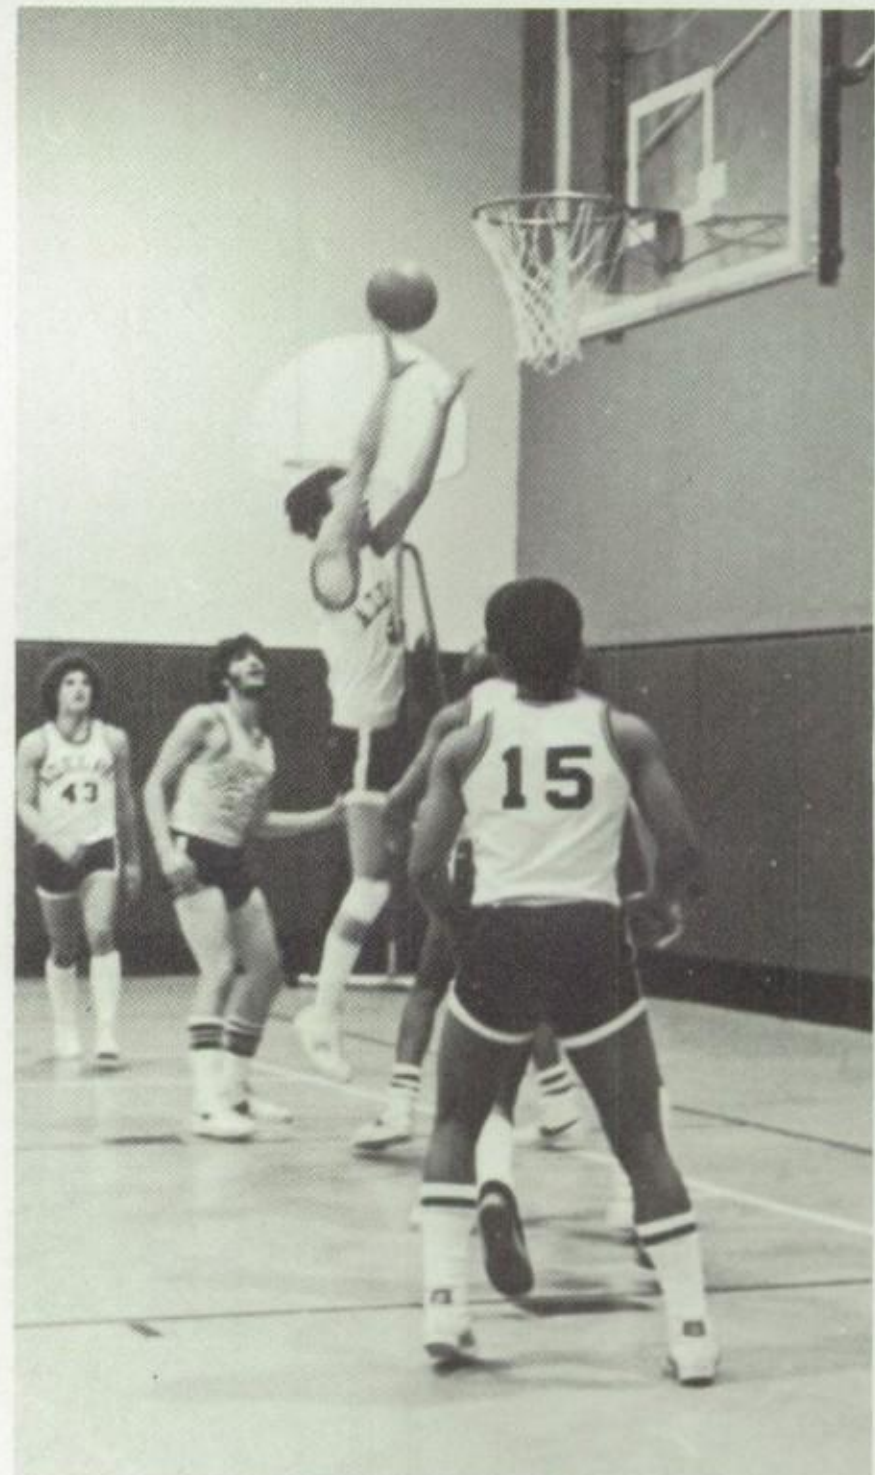

BOYS VARSITY BASKETBALL

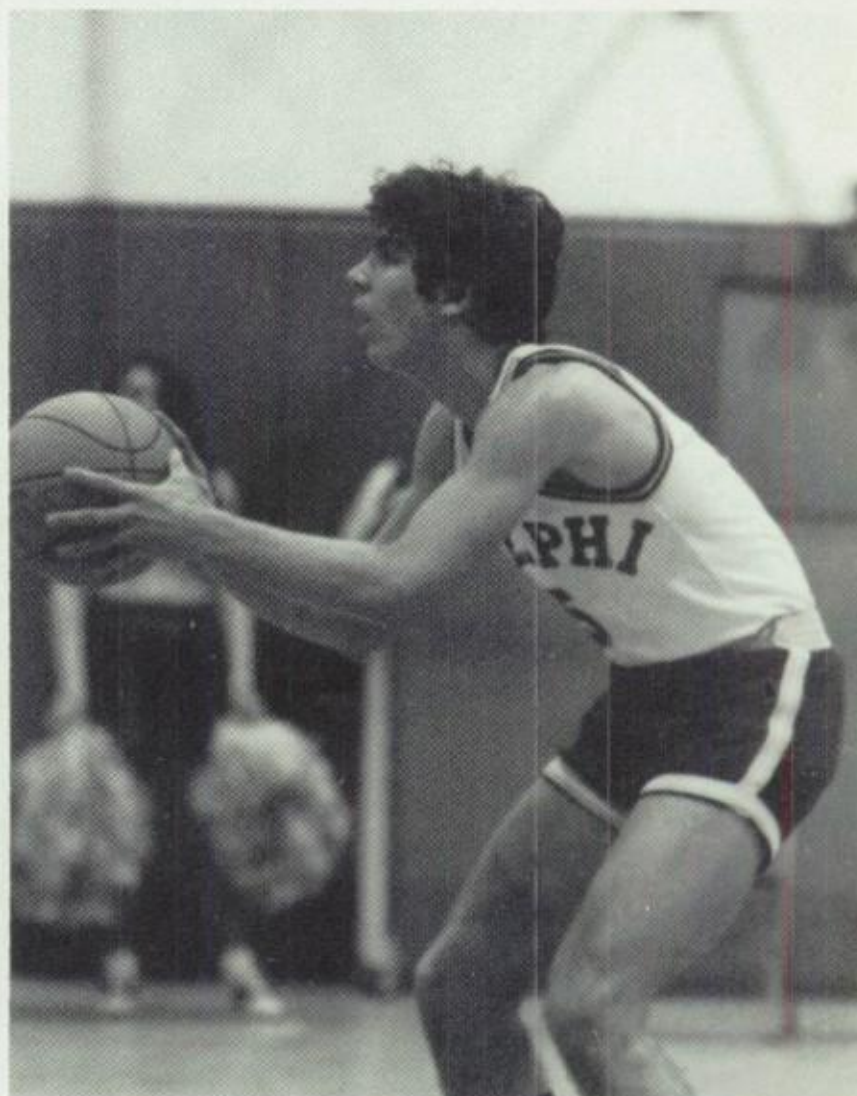

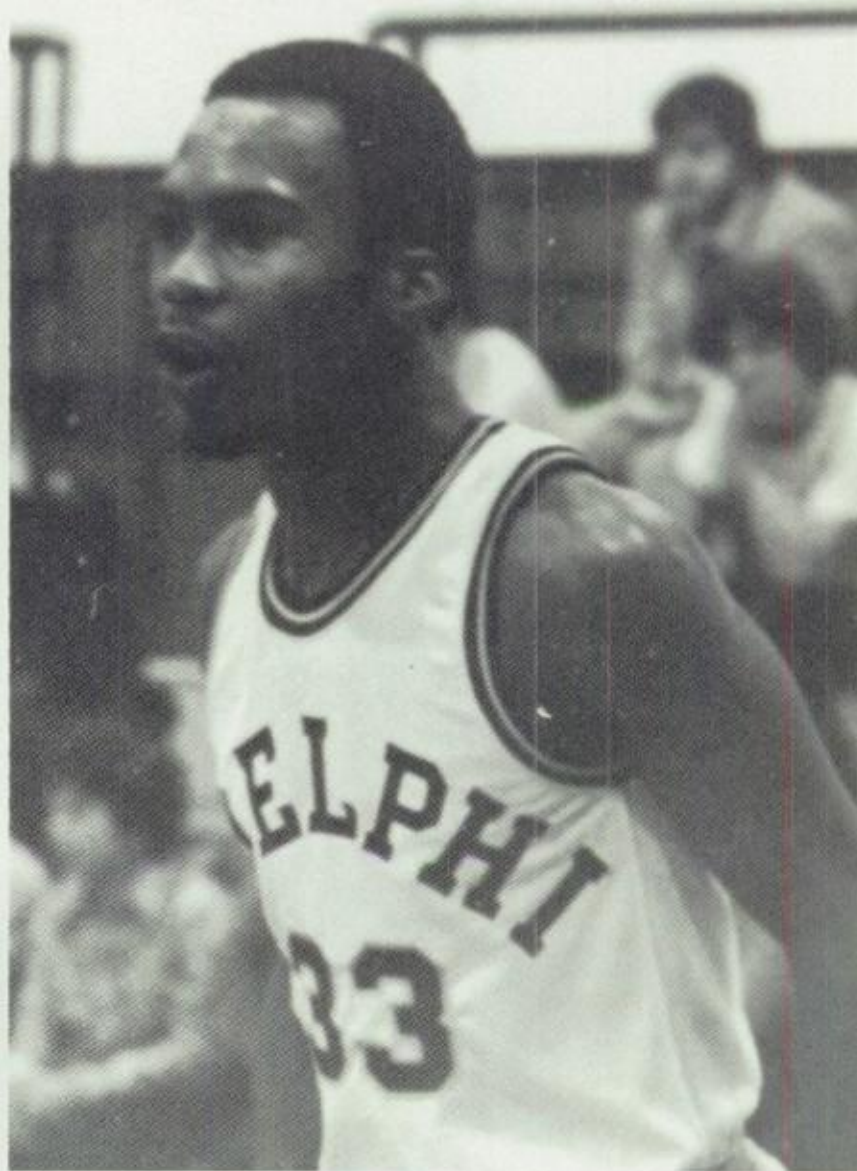

The 1978-1979 Panthers are the trend setters in Adelphi basketball. They are the first Adelphi team in many years to have a standard home court, courtesy of Adelphi's new gym.

The '78 Panthers are also the first Adelphi team to host an Alumni game. Although overmatched physically, the quicker Panther team defeated the Alumni convincingly 87-68.

The remainder of the season proved to be as grueling as that first game played in Beery Hall. The Panthers, although an extremely quick team, are plagued by a lack of size. This shortcoming must be made up for by hustle and desire. Since the Alumni game, the Adelphi Panthers have experienced the thrill of victory and the agony of defeat.

They came in second place in the Xaverian tournament, fourth in the Peddie tournament, and victims of 54-60 overtime loss to Princeton day school. In the next tournament at Kingswood, another last second defeat was suffered at the hands of Loomis 50-51 and another fourth place finish. But since these defeats, the Panthers have rebounded winning five out of six games including a fourth straight victory over public school rival Fort Hamilton and the rejuvenation of intensity lost in mid season.

J.V. BASKETBALL

J.V. Basketball

This year's J.V. Basketball team is young but not without court experience. Led by the high scoring of Jeff Katz and David Grazi and the crashing board strength of Peter Basso and Mike Meringalo, the team has been able to compile a 1 and 1 record and a substantial amount of optimism for the remainder of the season. One reason for their success so far is the reliability of the bench which includes Derek Anderson, Frank Ferro, Guy Mascaro, Dennis Palmer, Spiro Papathanasiou, Robert Sylvestri, and Ralph LoPrete.

FRESHMAN BASKETBALL

1st row: Daniel Marino, Peter Riso, Vincent Marino, Nicholas Morrone, Branden Grady. 2nd row: Scott Gold, Alfred Mizhir, Roland Matarazzo, Peter Croce, Harry Liapes, John Risitano. Not Pictured: Reno Aprea, Ian Blumen, Dean Lavas.

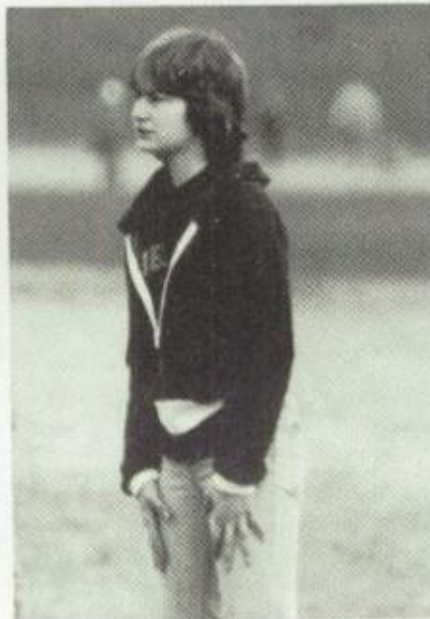

Freshman Basketball

This year's Freshman team was extremely successful in that it gave these young athletes a chance to compete with their peers while learning sportsmanship and control. Coach Mario DeLuccu has been more than adequate for the task of molding these junior athletes into the pride of the Adelphi future.

GIRLS SOFTBALL

Girls Softball

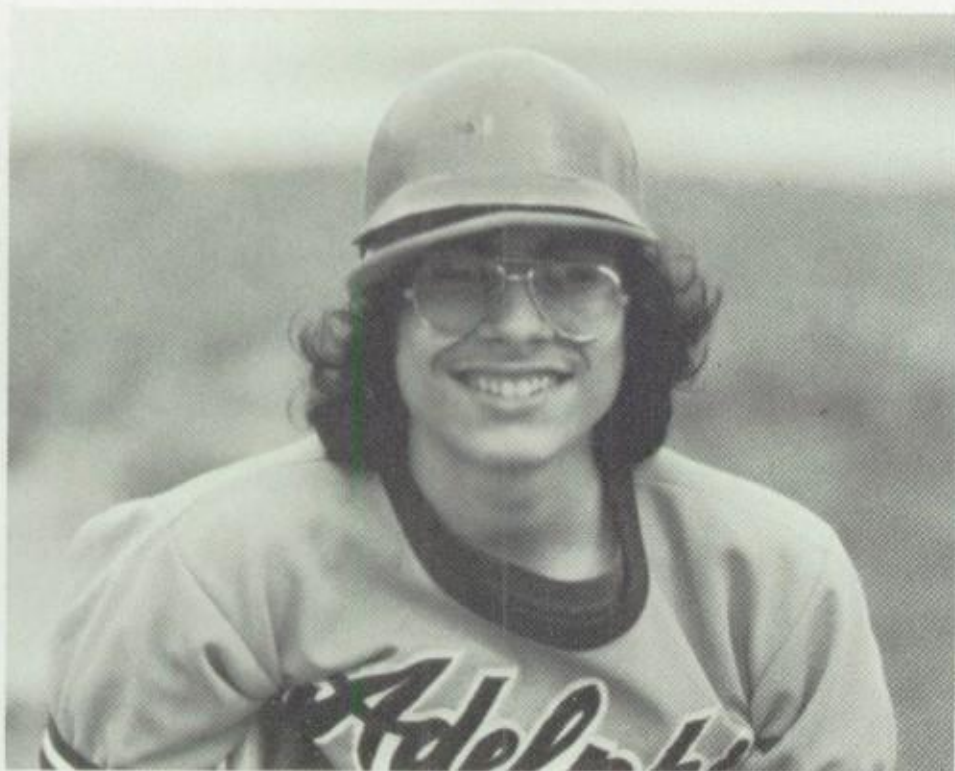

The girls' softball team came in second in the league, with three wins and two losses. Many of the games were rained out, but the games we did play were very enjoyable. On our home field, Shore Road, the sun, together with a cool breeze, built up our excitement for the game. Our seniors encouraged us to work as a team and to show our pride in the team.

1st row: Ellen Samson, Marika Bitetzakis, Lisa Croce, Diane Blum, Liz Lama. 2nd row: Dorothy Fox-Couch, Bonnie Gold, Cynthia Stella, Jackie McTernan, Cathy Lundaff. Not Pictured: Barbara Wagner, Maria Ray Guido, Karen Mizhir.

BASEBALL

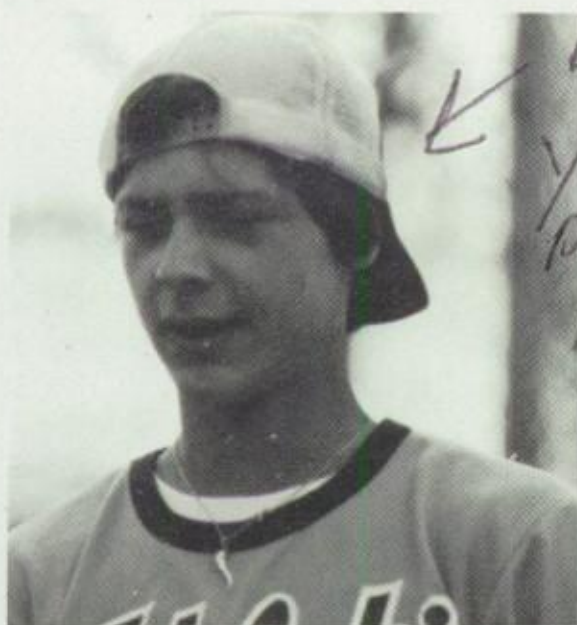

Baseball

Last year's baseball team was basically a very young team with only three seniors on the team. What the team lacked in experience, they made up with hustle. Though we finished very disappointingly in third place in our division, there were many bright spots to be proud of. The highlight of the season was an upset victory over Rhoades, who went on to win the city championship. We had a strong pitching staff with Danny Gardella and Vinny Montanaro comprising the starting rotation. Our third baseman George Kastner, while not scooping everything in sight, put out many a fire from the mound. The infield was rounded out by Hal Burdo at short, Mario Cosenza at second, the big stretch Bill O'Hagen at first, and Joey Sclafani behind the plate. The outfield was comprised of Dino Liapes in left, Vinny and Danny alternating in center and Richie Feigenbaum in right.

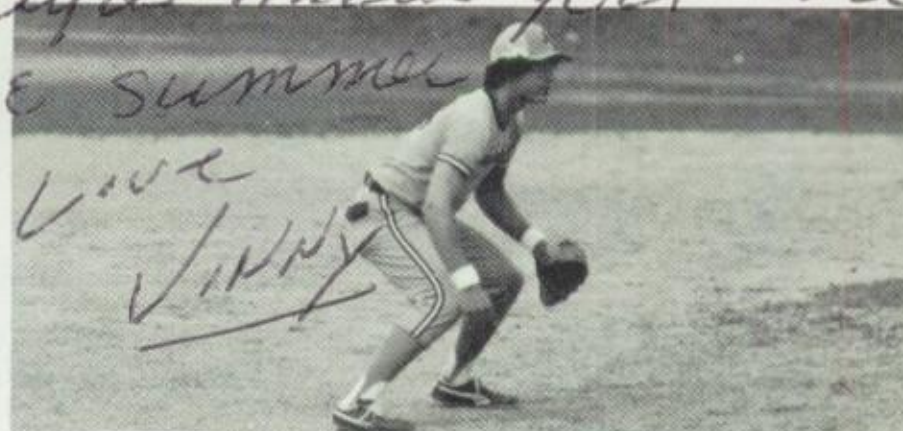

The team was a slow starter but the bats started to come around towards the middle and end part of the season. Once we got past the first few innings, we were very strong.

The team was led by the three men chosen for the Brooklyn-Queens All-Star Team, Joey Sclafani, Bill O'Hagen, and Richie Feigenbaum. The team MVP was Vinny Montanaro. A much improved bench was headed by Anthony Pepe and Peter (Pinhead) Garafolo. Tony was a very worthy, versatile man, while Pete filled in right.

The team showed a lot of promise and next season should make the playoffs and have a shot at it all.

Dear Diane,
 You're a sweet kid who's not a
 phoney. Stay as nice as you are.
 HAVE A NICE SUMMER

Softball

This year's softball team served mainly as a training ground for the Panther baseball team. The young and talented players learned many of the skills needed for them to be able to compete on a varsity level. Under the guidance of Coach Finkelstein, they will be welcome additions to next year's varsity team.

Tennis

Last year's tennis team consisted of a group of very enthusiastic students with a strong will to learn. Miss Fox spent a lot of time helping the team to improve their game. Although they did not have a successful season, their sportsmanship remained and they showed much promise for the coming year.

GIRLS' VARSITY BASKETBALL

1st row: Lisa Croce, Pam Kay, Amanda Mafitano. 2nd row: Carol Arancia, Diane Blum, Grace Cannistra, Ellen Samsen. Not Pictured: Karen Mizhir, Barbara Wagner, Liz Lama.

Adelphi's girls' basketball team has shown much promise for the coming season. After many hours of practice the girls have realized not only the importance of teamwork, but also the importance of dedication to the team. The spirit and enthusiasm among the girls are sure to carry them to victory.

Girls Varsity Basketball

Although it has been said that Adelphi's girls' basketball team has not been the best, this year's team is out to prove that wrong. Under the excellent coaching of Angela Indelicato the girls' varsity basketball team has shown much promise for the coming season. After many hours of practice the girls have realized not only the importance of teamwork, but also the importance of dedication to the team. The spirit and enthusiasm among the girls are sure to carry them to victory.

CHEERLEADING AND

Cheerleading

Although more than half of Adelphi's cheerleaders graduated last year, the remaining girls encouraged many newcomers to join the squad. The long hours that the girls spent at practice payed off in the end. Their spirit and enthusiasm was quite encouraging to the boys basketball team.

This year was a memorable one for the cheerleaders because they were able to cheer in the new gym and were able to accompany the team to many of their away games.

Cheering at Peddie was perhaps the most exciting game. With only eleven girls, the cheerleaders cheered the boys on to victory.

All in all, this was one of the best seasons for the cheerleaders and hopefully next year will be just as successful and exciting.

Cheerleaders Are: Pam Kay-captain, Cathy Oliver, Ann Croce, Nellie Cacace, Amanda Malfitano, Tracy Swift, Cindy Perlongo, Dawn Romano, Marika Bitetzakis, Diane Blum, Margaret Bua, Margaret Ponte, Maria Ray Guido, Barbara Wagner, Liz Lama, Lisa Anderson, Ellen Sam-sen.

BOOSTERS

Boosters

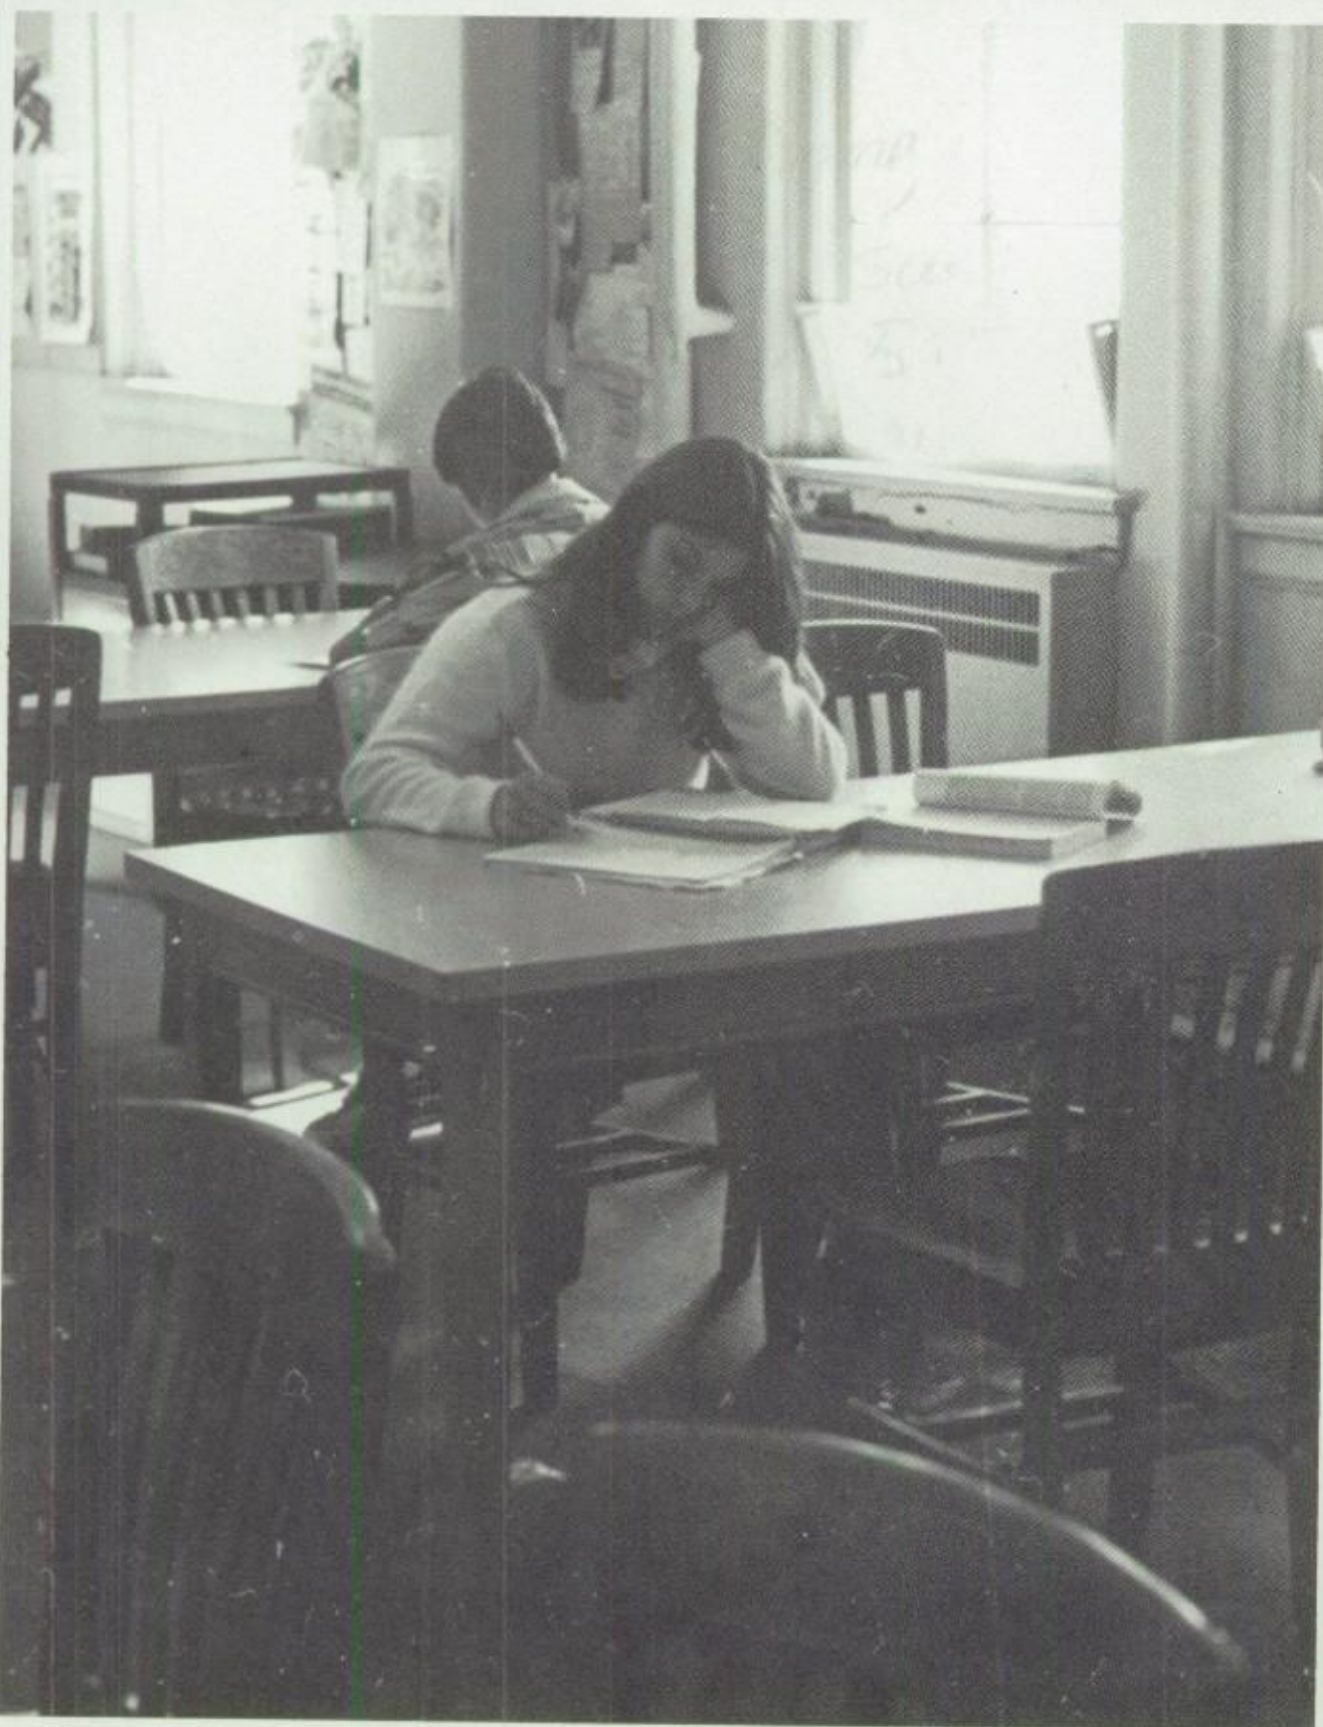

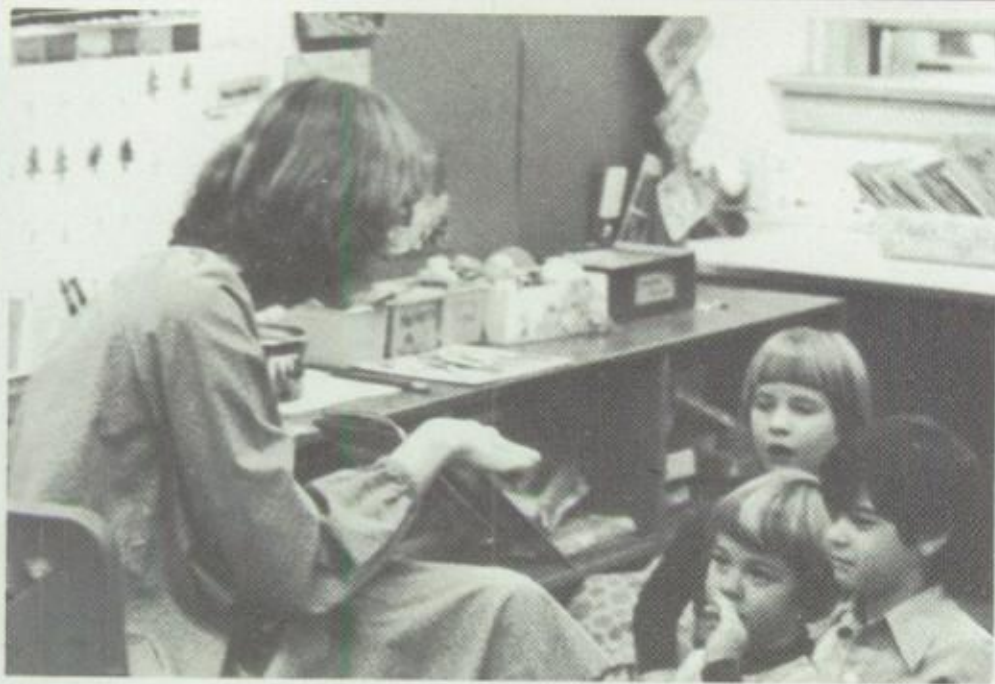

Beginning this basketball season, the boosters were revived from a year's siesta. The boosters were revived by Carol Arancia, who was assistant captain in '77, and Grace Cannistra. Traditionally, the boosters' job is to assist the cheerleaders by putting spirit, enthusiasm and volume into the cheers. And that's exactly what this year's booster squad did. Though the attendance record of the boosters was poor at first, it slowly but steadily improved as the season progressed. The squad was made up of fourteen lively, spirited, and the most important requirement, loudmouthed girls who were lead by Carol Arancia and Grace Cannistra.

Student Council

Adelphi's annual Halloween party had a new twist to it this year. There was the addition of a 50's theme. Chubby Checker and Elvis Presley were spinning on the turntables while students and teachers alike were rockin' and rollin' to the music. Miss Smith displayed her secret talent of dancing by demonstrating the Lindy and Cha-Cha to astonished students. Adelphi was honored with the appearance of John Travolta and Oliva Newton-John who turned out to be imposters, Joey Scalafani and Denise Vastardis. The party was held in the newly built gym.

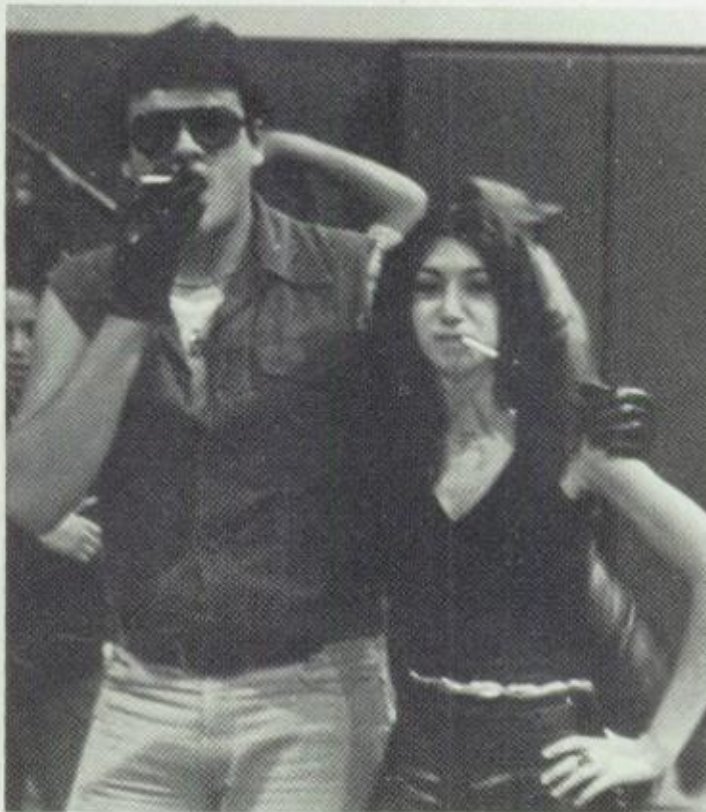

The Student Council was so pleased with the success of the Halloween party that they staged a disco dance in the new gym. It was held on November 17th and was Deejaed by Anthony Pepe, an Adelphi Alumni. Due to the poor sale of tickets, it looked like it would be another Adelphi dance, but the Student Council was pleasantly surprised. The Adelphi students had the school spirit in full swing and arrived at the dance in droves with their friends.

Due to the success of these two events, the Student Council produced a Christmas talent show which was as equally successful. At the last minute, it looked like everyone had gotten stage fright but again the students pulled through and put on the best entertainment. There was a little bit of everything in the show, humor, music, and a lot of hams. This year's Student Council has proved to be hard working and also well supported by the student body which makes this year, the best year yet!.

Middle School: 1st row: Sebastian Basirico, Reno Aprea. 2nd row: Vinny Marino, Billy Shikiar, Mrs. Warner, Chris Robustello, Cathy Canade.

DRAMA

Adelphi's Drama Society has long been known for its successful productions. Again this year, the society performed and entertained us, as they have in the past. Under the direction of Mr. Russell Bonnano, the cast presented an intriguing mystery for its Winter Production. Murder and suspense were the key elements here. "A Design for Murder" was guaranteed to keep the audience on the edge of their seats.

A comedy, "Teen Antics" was produced for the Spring. Mr. Elliot Barrows, a newcomer to Adelphi's Drama Society, directed the cast and kept up with Adelphi's past reputation of success!

Special thanks to Denise Vastardis for her artwork. She came through in my hour of need.

Special thanks also to Robin Gold for her ideas and hard work.

Very special thanks goes to Grace Cannistra and Debbie Howard for staying by me when I needed it and for putting up with my outbursts of temper.

The yearbook staff would like to extend it's gratitude to Tom Kehoe, our publishing representative, for all the help he has given us over this past year and for never losing faith in us when we were beyond help.

The Senior class would like to extend a special dedication to Mr. Russell Bonanno who helped us when we needed it.
